Coaching with Bryan Reeves ([www.BryanReeves.com](http://www.BryanReeves.com))

Reflect and journal on these 3 questions. This will help guide us to creating your most essential, most exciting curriculum for our journey together.

Please send this to Bryan at least 24 hours before your first session.

**1) What are you passionate about pursuing, and what are you eager to leave behind?**

**2) What 3 intentions or goals would you like to focus on creating or achieving through our work together?**

**3) What would make this coaching experience truly extraordinary for you?**
